I pledge my loyalty to Junior Clubwomen
By doing better than ever before,
What work I have to do.
By being prompt, honest, courteous.
By living each day trying to accomplish
something, not merely to exist.

Aurora Junior Woman's Club

President's Corner

Hi Ladies!

It's that time again, where I babble on for a bit. Happy February! Our club year is in full swing. The play planning is well underway with rehearsals, scenery and costume days set aside. Thanks to all who helped with the prior scenery weekend and who will attend the costume day. Any extra hands are always welcome. My mother in law always says "Many hands make light work."

Dentist with a Heart is in full swing, too. Thanks to all who took posters to distribute.

Happy Valentine's day to all of you, as well. It's a Hallmark holiday but any day is a good day to feel appreciated, right? I appreciate all of you and all the work you have put in to make our club, the play and Dentist with a Heart a success!!

Honored to be your president,

Jill Fisher

Parliamentary:

Please have all suggested By-Laws changes to me by 2/28. The suggestions must be in writing. Be sure to reference the Yearbook page and specific section you purpose to change. If you have any questions on this procedure please email or give me a call or reference your Yearbook. Remember, just because we have always done something one way does not mean there can't be a better way. So, submit any ideas you think will help our organization achieve it's full potential.

Also, let's all work on our communication skills/response etiquette. If you receive an email or phone message that is AJWC/ACDS business related, please respond as soon as possible. As a courtesy, if the message pertains to a particular task or is a request for information that may take you a few days to complete or gather, communicate this to the sender/caller so they are aware of your time frame and are not left wondering if you received the email or phone message. It just takes a few minutes to send a courteous response so the other party does not have to waste time making follow up calls or emails and no one wants to feel like they are being ignored.

Dental:

Thank you to all of you who signed up to deliver the Dentist With A Heart posters. This event helps so many people in our immediate community and we count on your help with the poster delivery to make the event a success each year. The dentists involved send their praise and thanks for our continued support and involvement in this worthwhile cause. A big thank you to Julie Thomas and Amy Weiland! Together they delivered about 90% of the posters. Also, an additional thank you to Amy Weiland for her assistance in updating the DWAH website. This was not an easy task and I appreciate her taking on this task.

We will be meeting soon to select a date for the 2012 Dental Fundraiser. Our goal is to get this project underway long before the end of the club year so club members have more time to plan their level of participation and to assist with the gathering of raffle prize items. Kathy Lawson will be providing you all information as it is formulated.

From Play Central.

Just want to mention to those that were not able to be at rehearsal last night, that tickets were distributed (if you did not get yours' please see either Amanda Smithey or Keri Benjamin). Posters were there and gone, so please make sure you deliver them. We will have more next week. Also, promotion letters were available. If you need more or have received ads already, please make sure that you see Diane Wildy. Don't forget that your costume fee of \$20 is due by February 6th.

There is another scenery/costume day on Saturday, January 28th. Please plan on being there as we want to finish and many hands make for a light load.

We want to thank everyone for helping to make the rehearsals go so well. It's going to be a GREAT show.

Pat and Vanessa
